

# Photography Approval Policy

Do wish to take photos while in the centre?  
Yes... follow these simple steps:

- Notify the reception staff you will be taking photos
- You will need to show photo ID, sign a registration form and be issued a wristband
- Do not remove the wristband while taking photos

Anyone seen taking photos within the centre, who do not have the relevant wristband will be referred back to reception.

The use of cameras/video recording devices and mobile phones are prohibited in the change rooms.

We appreciate your assistance in this matter.
